## High School Graduates and GED Recipients Have Attended College on Legislative Lottery Scholarships

\*"Other" includes New Mexico students who graduated from a Texas or Arizona high school under a reciprocal agreement with the State Department of Education and Arizona residents on the Navajo Reservation who qualify for Legislative Lottery Scholarships

\*\*"No Response" accounts for students that did not provide county information on their admission forms; this information is requested, but not required

• Source: New Mexico Higher Education Department (NMHED), (800) 279-9777  
www.hed.state.nm.us; table represents Legislative Lottery Scholarship (LLS) draws through Spring 2016

• This report was prepared using the institution-supplied student and student financial aid files

• These figures will always differ slightly in different categories because of official reconciliation adjustments between NMHED and the various institutions

• Some students may be counted more than once because of transfers or other factors, according to NMHED

• Student count is cumulative and includes all students that were awarded a Legislative Lottery Scholarship or Lottery Disability at anytime.

• Graduates so far: non-graduates may still be enrolled, may no longer be on LLS, or may have left the institution

• Graduates and degrees may include duplicates if a student attained more than one degree — i.e., a student received an associate's degree and continued for a bachelor's degree; degrees include bachelor's, associate's, certificate and professional; several graduate students are also included because their Legislative Lottery Scholarships applied to undergraduate tuition that was part of their simultaneous graduate programs

• \$66,553,850 in Lottery revenues were allocated previously to the Public School Capital Outlay Fund for state-awarded school construction and repair grants. Following action by the New Mexico Legislature, the Lottery's contribution to this fund ended in FY 2001 and the last grants made with Lottery revenues occurred in FY 2002

Notes for opposite page:

(1) Some satellite campuses are reflected in main campus information

(2) Legislative Lottery Scholarship (LLS) debits and student count may be adjusted by New Mexico Higher Education Department (NMHED) in subsequent semesters, pending reviews, audits and/or appeals; these may also reflect minor financial differences due to overall decimal point rounding, and are statistically insignificant

(3) The less than 1 percent discrepancy (0.26%) in total LLS awards stems from the difference in data sources

★ Record-breaking Spring semester LLS enrollment (None of the schools had a record enrollment in the 2016 Spring semester.)
