Good afternoon,

Please find below specific feedback on 5.7.35 NMAC.

5.7.35.8 (B)(1)-(5), lists educational assistants that may be prioritized.

- The use of *may* is rather lenient in light of the Martinez/Yazzie ruling that explicitly attends to underserved student groups, including those served in bilingual and special education settings.
- There does not appear to be a reporting requirement for institutions on the educational assistants that fall within this section. This is important for accountability.

Kind regards,

Mayra A. Valtierrez
