3. General Discussion and Follow-up from Previous Meetings
 - a. We'll be sending out proposed updates to eDEAR fields to capture the new Gender code and add some additional FAFSA fields to the financial aid file among other topics we've discussed
 - b. We'll set up eDEAR training for some time after the upcoming legislative session
 - c. The National Student Clearinghouse data should be available to the HED soon, and we'll start to prepare some reports from it – we'll reach out to the DAG for review and suggestions
 - d. We'll be preparing several statewide reports focusing on enrollment trends, high school to college participation, and other factors, specifically to identify areas where enrollment has dropped, e.g., the drop in male enrollment has been far steeper than the drop in females
 - e. Other topics raised during the discussion
