Notes

Head Count - distinct count of students within each institution.

Data is pulled from DEAR, fall 2017 student file, for students that enrolled by Census.

A student enrolled at multiple institutions during the same semester would be counted more than once.

Dual credit students (high school students that are taking college level classes for high school and college credit) are included in this report.

Other - Denotes age not reported, or <= 13

\* denotes counts less than 10
