## Notes:

- Undergraduate full-time equivalency (FTE) is based on students designated in programs of less than the master's level and students taking non-degree course work. Total credit hours taken by these students are summed and divided by 15 credit hours.  
 - Graduate full-time equivalency (FTE) is based on students designated in programs of the master's level or above. Total credit hours taken by these students in non-medical programs are summed and divided by 12 credit hours. Students enrolled in medical programs are each counted as 1 FTE and are summed with the values from non-medical students for the final total.

- Students included in this dataset are Students enrolled in credit-bearing courses, regardless of their enrollment status. As such, concurrently enrolled high school Students, undergraduate Students, graduate Students, and Students in non-degree tracks are included.  
 - No tribal colleges provided enrollment data in Fall 2013.  
 - NTU did not provide enrollment data in Fall 2017.  
 - SIPI did not submit enrollment data for Fall 2022 and Fall 2024.  
 - Prior to 2021, SENMC operated as NMSU-CA; it has been assigned the historical NMSU-CA data. FTE values for SENMC prior to 2021 are calculated using the Branch Community College methodology.  
 - The methodology used to calculate FTE has been adjusted for Fall 2024 and applied to prior years. As such, data in this report may not align with prior reports.
