Notes:

Undergraduate (UG) full time equivalency (FTE) is based on UG students (students designated less than master's level includes concurrent, non-degree students, resident, non-resident) taking 15 credit hours
 Graduate (GR) FTE is based on graduate students (students designated above or equal to master's level, includes graduate non-degree, resident, non resident) taking 12 credit hours
 FTE is calculated by dividing the total number of school credit hours (i.e. 15 for UG and 12 for GR) - Any branch campus generating graduate non degree school credit hours have been divided by 12 and added to UG FTE
 Native American institutions did not report prior to 2013

* Medical student's headcount at UNM School of Medicine is equivalent to FTE

** CNM-UNM students are considered UNM students taking remedial coursework at CNM campus. In 2014 and prior years, CNM-UNM students were calculated separately on this report and are duplicated. As of Fall 2015 CNM-UNM campus is no longer operational.
