Notes:

Headcount (HC) includes dual credit, undergraduate non-degree students, graduate non-degree, master's, professional, doctoral etc.

HC is a distinct count of students within each institution. A student enrolled at multiple institutions during the same semester would be counted more than once.

Native American institutions did not report prior to 2013.

** CNM-UNM students are considered UNM students taking remedial coursework at CNM campus. In 2014 and prior years, CNM-UNM students were calculated separately on this report and are duplicated. As of Fall 2015 CNM-UNM campus is no longer operational.
