INTEGRATION AND QUALITY

The term "**integrated**" (§463.37) means services must be provided concurrently and contextually such that:

Within the overall scope of the integrated education and training program, the adult education and literacy activities, workforce preparation activities, and workforce training:

- a. are each of sufficient intensity and quality, and based on the most rigorous research available, particularly with respect to improving reading, writing, mathematics, and English proficiency of eligible individuals;
- b. use occupationally relevant instructional materials.

The integrated education and training program has a single set of learning objectives that identifies:

- a. specific adult education content;
- b. workforce preparation activities; and
- c. workforce training competencies, and the program activities are organized to function cooperatively

1. If you already have it, please describe the single set of learning objectives (SSLO) that identifies the specific adult education content, workforce preparation activities, and workforce training competencies being taught in the IET program. Know that if you do not yet have the SSLO, you may still receive approval, but you must provide them to the NMHED Adult Education Division once they are developed.

2. How are you contextualizing the AEL and employability skills instruction with the career cluster associated with the workforce training component? What and how are occupationally relevant materials being used?

3. What is the anticipated start date and end date of the IET program?

Start date: _____ End date: _____

4. How will you document practitioner progress in the IET? If documentation is by progress reports (D) or knowledge-based exams (E) provide details of what significant learning will be demonstrated.

- Documented achievement of at least one educational functioning level of a participant who is receiving instruction below the postsecondary education level.
- Documented attainment of a secondary school diploma or its recognized equivalent.
- A postsecondary transcript or report card for a sufficient number of credit hours that shows a participant is meeting the State unit's academic standards.
- Use of satisfactory or better progress report, towards established milestones, such as completion of OJT or completion of one year of an apprenticeship program or similar milestones, from an employer or training provider who is providing training;
- Successful passage of an exam that is required for a particular occupation or progress in attaining technical or occupational skills as evidenced by trade-related benchmarks such as knowledge-based exams.

***Credits:** Please note that this application was based in large part upon the original work of Iowa Adult Education and Literacy. Our sincere thanks to Iowa and other states (including Wyoming, Ohio, and Washington State) for generously sharing their models and ideas with us. Many thanks as well to the AIR Advance IET team for their guidance.
