I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of costs associated with a feasibility study regarding Mesalands Community College (MCC) to gather community feedback, study the college's fiscal condition and make recommendations to the interim Legislative Finance Committee on solvency measures undertaken and governance changes. The purpose of this assessment is to collect information and determine if MCC could operate as an independent community college or if it would be more feasible to operate as a branch of another existing higher education institution within the state or other alternative operating schemes.

B. BACKGROUND INFORMATION

Mesalands Community College (MCC) is an independent, comprehensive, two-year community college that offers certificate and degree programs, academic transfer courses, adult basic education, and community education courses for lifelong learners. The college is in Quay County in the City of Tucumcari, New Mexico.

MCC faced significant challenges during Fiscal Years 22-23 due to the collateral effects of Covid-19 impacting enrollment and the re-engineering of the way that education was delivered. This had a significant impact on revenue and financial reserves coupled with the loss of institutional knowledge including the loss of key individuals both in leadership and finance which lead to an accounting backlog of almost two years. This delayed two yearly financial and compliance audits and system failure.

C. SCOPE OF PROCUREMENT

1. Assess and understand the institution's impacts on both current and future students, the faculty and staff, the local and regional community and the citizens of New Mexico.
2. Assess and understand the local operating districts constituencies opinions (current students, future students, past students, local businesses, taxpayers, etc.) about (1) the higher education institution and (2) opinions or support to operate as a branch or a partnership with other New Mexico public higher education institutions.
3. Provide the current and future economic impact of MCC on the community and the local district in which it operates.
4. Assess and understand MCC financial status including any recent administrative and/or board actions or decisions that have negatively or positively impacted its current financial condition. The assessment should also include a review the higher education institution's revenue sources (current and five-year historical), expenditures (current and five-year historical), carry over balances (current and five-year historical), debt service ratios (current and five-year historical), financial planning models that may be available, mil-levy arrangements, debt liability and

payback, enrollment detail (current and five-year historical) and projections, faculty and staff headcounts (current and five-year historical), and provide other financial information that may be useful as part of the financial assessment.

5. Assess and understand (1) the opportunities, constraints, and viability for MCC to continue operating as an independent community college (current structure) and (2) the opportunities, constraints, and viability to operate as a branch or in a partnership with another New Mexico public higher education institution.
6. Assess and understand the willingness and potential interests of other New Mexico public higher education institutions to undertake MCC as a branch or enter into an operating partnership.
7. Provide a report of recommendations to the New Mexico Higher Education Department on whether it is viable for MCC to continue its operations as an independent community college, operate as a branch campus, or operate in partnership with another New Mexico public higher education institution. The recommendation should include a rationale for the decision and provide a summary of actions that MCC should undertake to improve its situation as an independent community college or actions that should be taken if it's to operate as a branch or partnership with another New Mexico public higher education institution. The recommendation may also include other alternative operating schemes other than maintaining its operations as independent community college or branch/partnership with another NM public higher education institution.

This RFP will be a single award.

This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency

unless the Offeror either picks up, or arranges for pick-up, the materials within three (3) business days of notification of the cancellation. Offeror is responsible for all costs involved in return mailing/shipping of proposals.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any Agency employee while such employee was or is employed by the Agency and participating directly or indirectly in the Agency's contracting process;

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered

into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.
