* If NMCAC approves this course, the CCN Numbering Committee will review and assign a unique course number

** This course is similar to the existing BCIS 1750 course. CNM Faculty are not receptive to changing the course number or aligning with BCIS 1750. The course is part of a series (BCIS 1211 MS Outlook, BCIS 2212 - MS Access, BCIS 2217 - MS Excel and BCIS 2220 - MS Word). They are also concerned about the credit discrepancy between CNM's course and BCIS 1750.

*** This course is similar to the existing HIST 1105 course. CNM Faculty are not receptive to aligning with HIST 1105.
