Agenda

1. Roll Call
2. Upcoming NMCAC Dates
 - April 28, 2022 - Submission Deadline – March 28, 2022
3. Advanced Placement Discussion
 - a. See: https://hed.state.nm.us/resources-for-schools/public_schools/nm_advanced_placement_policy for a review of our current AP policy
 - b. The College Board is proposing two new AP exams, one on African American Studies and one on Pre-Calculus, and they would like us to consider adding these exams to our approved AP list. See the attachments for a summary of their exams and the course description and SLOs for our equivalent courses.
 - c. Suzanne McGurk, Senior Director, Higher Education Policy and Community College Engagement, from the College Board will be online to facilitate the discussion.
 - d. We'll discuss these courses at this meeting, with a potential vote at our April meeting.
 - e. And while we're on the topic of AP, it would be good to also discuss the AP Seminar and AP Research courses, several states have course equivalencies for these courses and we may want to consider adding them as well.
 - f. And, finally, I'd like to start a discussion about credit and transferability for a student who gets a 3 or better on an AP exam, and would earn course credit, but who then enrolls at a state institution that doesn't offer that course. It seems to me that the student should still get that credit, especially for courses that are General Education.

4. 14 requests to add to the General Education Curriculum
