1. Roll Call

2. Upcoming NMCAC Dates

- October 6, 2022 - Submission Deadline – September 6, 2022
- December 1, 2022 – Submission Deadline – October 24, 2022

1. Advanced Placement

- a. At our last meeting we discussed two new proposed AP courses to see if you all would endorse them for College Credit were they to be adopted by the College Board and offered at New Mexico High Schools. We'd like a vote on each course. Suzanne McGurk from the College Board is on the call and available to ask any questions.
 - i. AP Course in African American Studies – a score of 3 or higher would lead to credit for AFST 1110, "Introduction to Africana Studies"
 - ii. AP Course in Pre-Calculus – a score of 3 or higher would lead to credit for MATH 1240, "Pre-Calculus"
 1. More institutions offer MATH 1250, "Trigonometry & Pre-Calculus", if this AP course is adopted we may want to re-visit the course curriculum to see if it could result in MATH 1250 instead of Math 1240, maybe with a higher score
- b. Two other AP courses are currently being offered in NM, AP Seminar and AP Research. These are being accepted for high school credit by PED (see attachment). They also result in college credit in some states (see attachment). We'll bring these back to NMCAC in our fall meeting with a specific proposal to have them adopted to fit within our AP Equivalency Table, see:
https://hed.state.nm.us/resources-for-schools/public_schools/nm_advanced_placement_policy
- c. We also received data from the College Board of test-takers and score distribution of AP in New Mexico. Attached for your information.

3. Common Course Numbering (Informational) – Engineering Subject Prefixes

4. 18 requests to add to the General Education Curriculum

Application ID	Submitting HEI	Course Prefix	Course Number	Course Title	Content Area
623	LCC	BIOL	1140L	Biology for Health Sciences Laboratory	Science
662	ENMU-RU	PSCI	2160	State and Local Government	Social & Behavioral Sciences
680	ENMU-RU	PHIL	2110	Introduction to Ethics	Humanities
698	NMMI	COMM	1353	Introduction to Digital Filmmaking	Humanities
699	NMMI	COMM	1150	Introduction to Mass Communication	Communications
